Batting Cages:

CMBA has also allotted times for practices at our Batting Cage Facility at Kin Park for any teams wanting to use it. We want our 9U age group to have the opportunity to experience some high-end development and have full use of these facilities at no added cost. The following Days & Times have been allotted for the 9U – Rookie teams if your team wishes to use it. You can use these at your own discretion, or if you cancel a practice on the diamond, you could make it up at the batting cages. It's at the team's discretion to use these slots up or not.
